Subject: Approval of Change of Operator Name, Plan Revisions and Surety Escalation;
Compass Minerals Ogden; Great Salt Lake Mine; M/057/0002; Weber County, Utah

Dear Mr. Havasi:

The Division of Oil, Gas and Mining approves the amended Notice of Intention to Commence Large Mining Operations for the Great Salt Lake mine. This amendment changes the operator name to Compass Minerals Ogden. The Division also approves the replacement surety bond. A copy of the surety bond is enclosed for your files. A signed copy of the replacement Reclamation Contract is also enclosed. The change in the operator name is not considered a transfer.

The Division previously approved the plan amendment for the dike reclamation pending surety adjustment. Providing the replacement surety finalizes that approval. Stamped copies of the replacement maps are enclosed for your files.

Thank you for your cooperation. Please call me at 801-538-5261 or Mike Bradley at 801-538-5332 if you have questions about these approvals.

Sincerely,

Paul B. Baker
Mining Program Manager
